TECHNOLOGY CENTER 2809

Dear Mr. Lee:

Thank you for the communication dated 02/18/04 on the application entitled **"A Universal Millimeter-Wave Housing with Flexible End Launchers"** application number 10/038,459 filed on 10/07/2002, which is a divisional of application serial number 09/433,318, filed on 11/03/99, allowed on 09/20/01 and now US patent No. 6,363,605. We have considered all of the comments and recommendations indicated in the communication and wish to amend the application as follows:

Amendment to the specifications: begin on page 3.
Amendment to the Claims: begin on page 7.
Amendment to the drawing Figure 3(a): begin on page 11.
Remarks begin on page 12.

With the above amendments, we wish the patent application will be allowed as soon as possible.

Yours truly,

Yi-Chi Shih

A) Introductory comments:

Arising from the office communication dated 02/18/04 on the application entitled "**A Universal Millimeter-Wave Housing with Flexible End Launchers**" application number 10/038,459 filed on 10/07/2002, which is a divisional of application serial number 09/433,318, filed on 11/03/99, allowed on 09/20/01 and now US patent No. 6,363,605, we have filed the amendments considering all of the comments and recommendations indicated in the communication as described in the Amendments to the Specifications", "Amendments to the Claims" and "Amendments to the Drawings".
